

**SDMS TRAIN TO WIN SERIES**

***Part 2 – Miniature Donkeys***

**Saturday, May 1, 2010**

**30 minutes after final class of the SDMS Spring Show**

**Glen Rose, Texas**

**Judge Mardi Grimes, Instructor**

**Are you new to showing Miniature Donkeys?  
Are you showing as a hobby and for fun?**

**As another part of the Training to Win Series, we are offering a short clinic for Miniature Donkey exhibitors.**

**Judge Marti Grimes will conduct a short clinic that will give pointers on what judges look for when placing classes. This clinic will be limited to those people who are learning to show, who show as a hobby, and to youth. It is not for trainers or exhibitors who frequently win high point.**

**If you are participating in the May show there will be no cost for the clinic.**
